2. Garrett Tactical Handheld Metal Detector (1165900) 360° Detection

Model #: 1165900

UPC: 786156002449

Condition: New

Category: [Metal Detectors](#)

Metal Detector: Handheld Tactical 95 kHz (1165900) with 360° Detection Field

The THD quickly and effectively targets all ferrous, non-ferrous, and stainless-steel weapons, contraband, and other metallic objects. Its unique 360°, 3½ inch detection area allows unrestricted scanning angles for fast and accurate hands-free body searches. No tools are required for replacing the 9V battery (included). Three LED function lights are included on the THD: green indicates the unit is on, amber indicates the THD's battery is low and red indicates metal detection.
